MEMORANDUM FOR: Director of Personnel

THROUGH : Deputy Director of Personnel
for Special Programs

SUBJECT : Early Warning of Probable White House
Interest on Howard Hunt.

1. [] had lunch with Howard Hunt yesterday. During their conversation, Howard referred to the fact that the Agency had not approved his request to designate a survivor for annuity purposes after he had retired. He told [] that he "will have The White House help straighten that out." This probably means we can expect some sort of attempt to influence our stand in this case.

2. [] reported that Howard is well set: good salary from his public relations firm, annuity from CIA and good pay from The White House where he works directly with Erlichman. No doubt Howard is on an independent contractor/consultant basis with The White House.
